Gun Show POS For Small Retailers

Unlimited Users – Cancel Anytime

Orchid Gun Show is a simple and powerful solution designed for in-store, online and gun show use. Get started in just a few minutes. Powered by TSYS Vital.

Proven Track Record

Over 30,000 TSYS Vital units sold, offering a lower cost alternative to Clover.

Gun Show Plus

Three Powerful Platforms

Select from three different POS platforms to run your small retail firearm business.

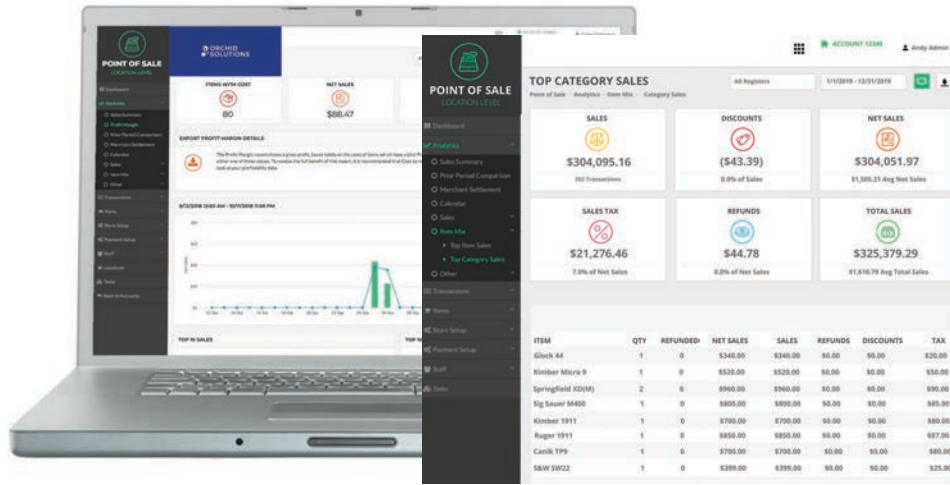

- Gun Show Select: All-in-one countertop unit
- Gun Show Plus: Flexible handheld
- Gun Show Mobile: 100% Mobile device

Included Features

- Manage inventory, prices, and employees
- Simultaneous mobile and in-store operations
- Dedicated firearm friendly processor
- Around the clock 24x7 dedicated support

Gun Show Mobile

The Easy Option for Making Money with Firearms

Simultaneously manage your in-store and gun show inventory, collect customer payments, and run dynamic reports from the palm of your hand. Use your margin analysis to drive changes to your sku assortment and promotional activities.

Increase Profits

Easily control pricing, discounts, barcodes and inventory management, all in one place.

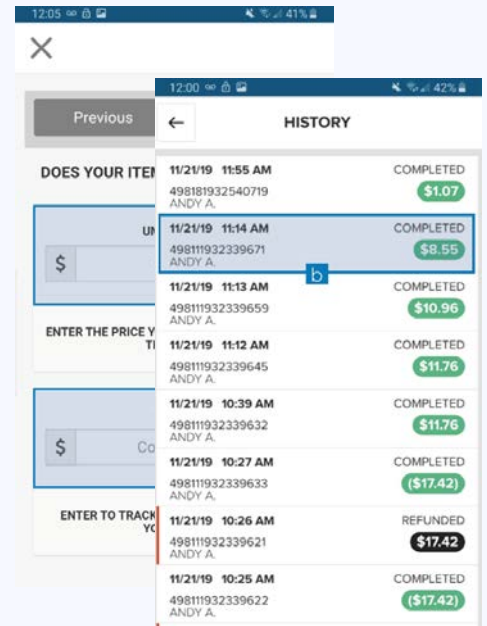

Protect Your FFL

Package with our best-in-class, ATF 2016-1 and 2016-2 compliant eBound Book with an integrated e4473.

Turn On and Go

Demo and order what you need in under an hour – Mobile units are operational within 2 minutes of receipt.

Keep Your Cash with Orchid Pay

Over 75% of consumers prefer to pay with a credit card. Pair your POS software with Orchid Pay designed to be risk free from anti-firearm bias. Swipe, dip, or tap your way to higher profits, online or in-store.
